LASO CYCLE 5 | APPLICATION & IMPLEMENTATION SUPPORT

How UnTapped Genius Can Help Move Your LASO 5 Application Forward

Support to complete your application and prepare for launch, without adding to your workload.

Applications due December 1, 2026

01 Get Organized

- A LASO 5 tracker with owners, deadlines, status, and grant decisions

HOW IT WORKS

Check-In: Free 20-minute call
Plan: A work plan for your timeline

02 Coordinate the Work

- Structured follow-up with your grant submitter, so nothing waits on an inbox

HOW IT WORKS

Meet: Weekly check-ins through submission

03 Move the Application Forward

- Side-by-side support on your responses
- A final alignment and review before you submit

HOW IT WORKS

Execute: Support through submission

04 Prepare for Implementation

- Support to launch your TEA implementation plan

HOW IT WORKS

Launch: Ready if funded

This may be for you if...

- Your application has stalled.
- You need help organizing requirements and ownership.
- Your team needs added capacity.
- You want to be ready to implement if funded.
