LASO 5: Next steps

Once your LASO 5 application is submitted, use the waiting period to get organized, learn more, and be ready for what comes next.

Prepare

Make sure your team is clear on what was submitted.

- ☐ Revisit the assurances and key requirements in your application.
- ☐ Review required artifacts, reporting expectations, and key dates.
- ☐ Note any questions or areas that may need clarification if awarded.

Explore

Use the waiting period to learn more about potential partners.

- ☐ Review the TEA Approved Provider list for your opportunity.
- ☐ Research providers' experience, approach, and areas of expertise.
- ☐ Identify 2–3 providers that appear aligned to your district's needs.

Organize

Set your team up to move efficiently if funding is awarded.

- ☐ Identify likely district and campus leads for the work.
- ☐ Gather the application, assurances, budget information, and related materials in one place.
- ☐ Outline who may need to be involved in provider selection and implementation decisions.

UnTapped Genius would welcome the opportunity to support your team if awarded.

Provider requirements vary by opportunity. Confirm current TEA guidance for your specific award. Aligned to current TEA LASO 5 LIFT School Improvement Accelerator and SI CISG Program Guidelines.
